

PHOTO FANTASY WORKSHOP- SATURDAY JUNE 9th 2012

TIPS AND TERMS FOR SIGNEES

Please read carefully and sign the bottom if you agree then bring this form with you to the workshop.

1. Signees will be scheduled for our June 9th workshop/photo shoot to photograph 3-5 models depending on capacity. **Photographers will be scheduled for one individual (approximately 2 hour) session between the hours of 10AM – 5PM in groups of 3-5** to photograph the female models in an organized rotating order.

2. Within the session, photographers will rotate from one model room to the next approximately every 20-30 minutes depending on capacity. During this time photographers can get as many photos of the model as they can get. When time is up, photographers will rotate to the next room where the next model will be happily waiting to meet you until each photographer has photographed each girl. Proper rotating and the limited times is designed to make it manageable for the models, creates an organized schedule and ensures that every photographer will get photos of each model. Depending on capacity we may extend the individual sessions longer to give photographers opportunity to photograph models in additional outfits or positions, we will announce that on or before the day of the shoot. For now expect at least 20 minutes or so with each model. We cannot guarantee longer time yet.

3. Photographers are expected to bring their own cameras. We will not provide cameras but we will have some basic lighting in each room. As stated in the signup form, photographers are not allowed to bring their own lighting and large equipment due to the volume of the workshop, complications and time constrictions. Bringing large equipment will crowd the location and we cannot ensure the safety of your equipment if you are not able to monitor it. **PLEASE NO LIGHTS AND LARGE EQUIPMENT.** For those that must have strobes however, please indicate your request in the signup form and we can have those available for you already set up in the rooms for a one time rental fee of \$25 to be paid cash on the day of the shoot.

4. For photographers who sign up early we are offering as a bonus a discounted price of **\$295** for registering before **May 18th 2012**. For all others the registration price is \$335

5. Location will be properly announce within a week or well before the scheduled workshop date and will be at a house or studio fitting to the size of the workshop. We will email location information to all signees as soon as we confirm these.
